SAISA 2014 INLAND NORTH POINTS 6 Regatta

Hosted by the Carolina Sailing Foundation & RTP High School Sailing

Crosswinds Boating Center
Jordan Lake, Apex, NC
March 1, 2014

Eight boats competed in the SAISA 2014 Inland North Points 6 Regatta at Jordan Lake. It was the first time RTPHS has hosted a regatta at Jordan Lake at the Crosswinds Boating Center.

The Race Committee was pleased to complete a regatta of six races despite a postponed start due first to adverse weather forecast for early morning (near freezing at 8AM with a slight chance for rain/freezing rain) and then second due to light wind conditions.

Temperatures for the day began at a chilly 34 degrees but warmed to mid 50s when sun came out in the afternoon. Water temperature was 49 degrees. Sailors not wearing wetsuits were warned of the requirement to abandon race if they ended up in the lake.

The day was plagued by calm, with occasional shifty and variable wind up to 3 knots. Light winds required PRO Dan Russell to postpone the first start by approximately 40 minutes. The Race Committee expedited the switch between Division A and Division B races by shuttling sailors from shore to the boats as required by the schedule boat rotation. Ultimately, the order of races became A1, A2, B1, B2, B3, A3.

Lake Norman High School brought both a full team and split JV team. East Chapel Hill High, Voyager Academy, and Pine Lake Prep competed with full teams. Durham School of the Arts, Green Hope, Athens Drive, and Sanderson had split teams. Two composite teams (Wakefield-Cardinal Gibbons) and (Enloe-Carborro) competed as well.

Lake Norman High School handily earned first place overall, taking first place in all three races of both divisions: Allison Chenard as Division A skipper and Max Thompson as Division B skipper. Pine Lake Prep won second place overall with Division A skippers Kyle Mergenthaler and Shaynah True, and Division B skipper Kelly Milliken. Overall third place winner was Voyager Academy of Durham with Mark Thompson as Division A skipper and James Robertson at the helm in Division B.

Division A team placement replicated the overall results, with Lake Norman in first place. The scores between second and third place were tight with Pine Lake Prep ahead of Voyager Academy by one point. Lake Norman also came in first place in B Division. Again the competition for second and third place quite tight in B Division with Pine Lake Prep ahead of Green Hope by one point.

Note:
No protests heard by Chief Judge, Eric Rasmussen.

March 1, 2014: Light air, temperature range of 20+ degrees.
